

Dear heavenly father: we thank you for this precious moment, for encouraging us, for reminding us again that Jesus our Lord has come and died for us. He fully experienced everything humanity had to offer- including tears, death...and we could take comfort in HIM.

Father how grateful we are, for your awesome love through your son our Lord Jesus Christ. Help us focus our attentions on your words, on your promises. In this very special and critical situation: we are standing in front of you in the name of our Lord Jesus Christ to call upon your mercy from on high to heal our land, you promised: If your people who are called by your name, shall humble themselves and pray, and turn from their wicked ways, then you will hear from heaven, forgive their sin and will heal their land (Chronicles 7:14). I pray for our repentance, may the Holy Spirit who dwells in us will guide us in our prayers, in our deeds, that we can live a style of life, which will make a contribution to the healing of our land.

Lord Jesus we thank you that you know the need of every single person, those who are lying in the bed facing death, and those who are ministering to them, and people everywhere who are full of fear, BUT you said: do not be afraid! "My peace I've given to you, I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid (John 14:27)." So I pray that you will replace these fears with courage, confidence, insurance and faith. That we know in our faith our almighty God will help us go through this safely.

We pray for the new coming week that the leaders in healthcare and governance will make the right decisions for the wellbeing of all people. That more and more people will rethink the meaning of life and turn their eyes upon Jesus.

In Jesus name we pray.
